Thursday 22nd February 2024

Dear Parent/Carers,

We are pleased to announce that we will be running a brand new after-school club that is starting next week called '*Kids with Bricks Club*'. This will be a Lego club, aimed at pupils in Year 3 or Year 4 initially, that will use the Lego 'We Do' app to support children with their builds.

The club will start on Wednesday 28th February 2024 and will run for 5 sessions only. The final session being on Wednesday 27th March 2024. The club will start at 3:15pm and will finish at 4:15pm. As this is a brand new group and to assess resources, spaces are limited to 8 spaces only for this half term; however, we are hopeful of running this with larger numbers during the summer term. Spaces will be allocated through a draw with names being pulled out of a hat after the deadline has passed. Pupils who are successful will be informed by letter.

Pleasingly, there is no cost to this group and we will aim to confirm your child's place shortly after deadline has passed. The deadline for application is by 10am on Monday 26th February 2024. We look forward to seeing you at the club if you are successful.

Best wishes,

Commando Tom
