

Year 6

Summer 2 Home Learning

STEM

Birley Primary Academy
A L.E.A.D. Academy

STEM

- Design a toy with a moving part that uses a cam as part of its mechanism.
- Continue to use Times Table Rock Stars to keep up to speed with multiplication skills ready for secondary school.

Transition

- Write a list of questions or concerns that you have about your move to secondary school.
- we will use these as part of our transition work in the Summer term

The Arts

- Learn the song words for our Summer Leavers' production.
- Learn any speaking parts or dance moves for the play.

Reading for Pleasure

- Read a story or novel of your choice during the half term and share your thoughts about it with your class.
- Complete a detailed Book Review about the text you chose to read.
