Dear Parents/Carers,

As you are aware, morning drop-off and afternoon pick-up is a very busy time for every school. At Birley we work with yourselves with reminders of safe driving and parking, through Newsletter and Social Media posts, our School Council and with the Local Authority Parking Enforcement and SY Police.

For the significant majority of those using cars, I can only thank you for the careful and courteous way you continue to drive and park around Birley to ensure all children are as safe as possible.

Unfortunately, there remains a core group of drivers that continue to show complete disregard for safe driving and parking, which is putting everyone at risk – including their own children!

Only this morning I have had reports of a car mounting the pavement whilst reversing and nearly hitting a child.

We take pride in teaching pupils about road safety and with the communications/reminders that have been shared with yourselves on numerous occasions, the lack of care and attention shown by some drivers is astonishing.

Once again, as yet another reminder, please ensure that you drive and park safely around Birley, so everyone is doing everything they can to keep your children safe!

Many thanks for your continued support

Dawn McAughey
