08.01.2026

Good morning everyone,

With the weather forecast showing possible snow and icy conditions later today, into the evening and Friday, I wanted to share some important information with you.

If we ever need to close the school due to snow, this decision will always be made with the safety of our pupils, families and staff as our top priority. Any decision like this is carefully discussed between myself, my site manager, the leadership team and local primary and secondary headteachers.

If a closure is needed, we will aim to let you know as early as possible in the morning. In cases of very heavy snow overnight, a decision may be made earlier. We will share any updates by email, text message, on our Facebook page, and on Class Dojo/Tapestry.

If a closure has to happen once the children are at school please can I take this opportunity to remind you that children will need to be collected by an adult (18 years or older)

We will keep you informed if there are any changes due to the weather.

Please be assured that all important information will always be shared through more than one method to make sure everyone receives it.

Thank you for your support. Please stay safe.

Dawn McAughey  
Headteacher
