27th March 2026

Dear Parents and Carers,

We are very much looking forward to our annual Aspire Day, which will take place on Wednesday 15th April 2026 (the first Wednesday back after the Easter holidays). This is always an exciting and inspiring event for the children.

We have arranged a full timetable of special visitors who will be coming into school to talk to the children about their professions and the pathways they followed to achieve their careers. This is a wonderful opportunity for pupils to learn more about the wide range of possibilities available to them in the future.

As part of the day, we invite children to come to school dressed as what they would like to be when they are older. In previous years, we have seen a fantastic variety of outfits, including builders, teachers, scientists, hairdressers, florists, zookeepers and nurses, to name just a few.

Throughout the day, the children will also take part in a range of activities focused on different jobs and careers, as well as meeting and learning from our visiting speakers.

We are sure it will be an enjoyable and inspiring day for all, and we look forward to seeing the children dressed up for the occasion.

Yours sincerely,

Dawn McAughey
