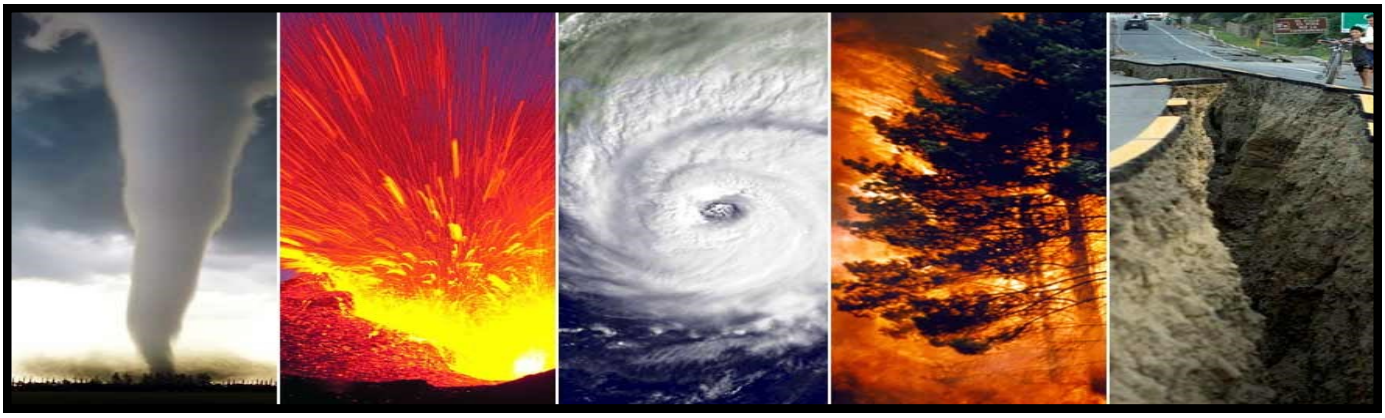
Year 4 Newsletter Spring 2021

Thank you ever so much for all of your support and cooperation through the Autumn term. We feel it was a very positive one and are looking forward to the Spring.

DEADLY DISASTERS

How would you help those affected to survive and then recover from a natural disaster?

The next term in year 4 will be dedicated to researching and learning about all types of natural disasters. We will look closely at the areas of the world where these occurrences are most likely to happen and the various reasons why they occur. We will research natural disasters throughout history, both ancient and modern events. We will focus on the impact they can have on the landscape and on the lives of humans and other wildlife. We will also study how different organisations and agencies around the world respond to these crises and offer humanitarian aid to those affected.



Swimming

Swimming will continue for the first four weeks with our final session being on the 25th January.

Reminders

- Our indoor PE day is Tuesday. Our outdoor PE day is Monday (which we will be picking up once we finish swimming.
- Children will continue to be set 1-2 pieces of homework every Friday, due the following week.
- Children will continue to be set weekly spellings every Friday to be tested the following week.
