AUTUMN TERM | WEEK 5 | FRIDAY 8<sup>TH</sup> OCTOBER

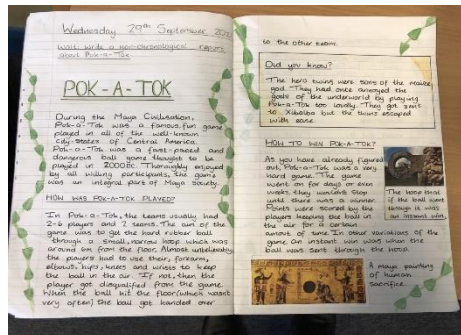

# LEARNING ACROSS THE CURRICULUM

Over the past couple of weeks, our pupils have been working extremely hard across the curriculum and each and every pupil have been making progress individual to them. Take a look at the different things happening across the cohorts at Birley Primary Academy below.

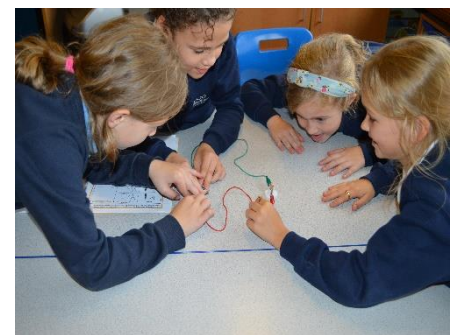

### Year 2 - Maths

This week in Maths, Y2 have been adding three 1 digit numbers. To help them add, they looked for doubles and number bonds to 10. They enjoyed using the counters to help them with their counting. Fantastic learning Y2, keep it up!

### Year 6 - Literacy

In Year 6, our pupils have immersed themselves with the Maya game Pok-a-Tok. Once they gained a strong understanding of the rules and history of the game, they were able to write fantastic non-chronological reports all about it. Well done Y6!

### Year 4 - Science

In Year 4, pupils have been investigating what is required within a simple circuit to light up a bulb. Once they had completed this, children experimented with different circuit set-ups and recorded if they were either successful or unsuccessful.
