Dear Parent / Carer

This pack is for you to help your child with Reading, Writing and Maths at home.

Reading	Writing	Maths
<p>We are working on being able to read the Tricky Words instantly as this will help your child with their reading.</p>	<p>We are working on letter formation so that your child can form their letters correctly and quickly. This will help them in their writing.</p>	<p>We are working on knowing pairs of numbers that make any of the numbers to 5. This will help them as they go through school with their maths.</p>
<p>Help your child by asking them to read words with the sound (phoneme) we have been learning. Children should spot the sound in the word. Then they say the sounds in order and blend them together to read the word.</p> <p>ai words</p> <p>r ai n</p> <p>p ai n</p> <p>s ai l</p>	<p>Help your child to write letters by getting them to start in the correct place then follow the rhyme to form the letter.</p> <p style="text-align: center;">a b c</p> <p>If your child gets it wrong, show them how to write it correctly and encourage them to have another go.</p>	<p>Help your child by asking them to tell you the different ways to create a number by using some counters as support.</p> <div style="text-align: center;">  </div> <p>Counters can be anything from dried pasta pieces to toy cars.</p>

Thank you for supporting your child in their learning.
