17<sup>th</sup> January 2024

Dear Parents/Carers

We are able to order SATs revision guides from CGP at a discounted rate. The revision guides offer an overview of the Curriculum that your child will be tested on in May and are a great way to help support your child in their learning and revision at home. There are also question books available for additional practise questions. These books are regularly updated and support the new content in the National Curriculum. There are 2 versions of the revision guide and question books available to order – the first books are aimed at children working towards age related expectations in Y6, whilst the 'stretch' books are aimed at children working towards greater depth scores. **It is not necessary to order all of the books, please ask your child's class teacher if you are unsure of which type of book would be most suitable for your child.**

If you would like to order copies, complete the attached form clearly indicating which books you require and return to your child's class teacher **by Tuesday 6<sup>th</sup> February 2024**. We will not be able to process orders received after this date.

Payment for the revision guides is via the Schoolcomms App as **we cannot** accept cash or cheques. If you are experiencing any problems with this and require a barcoded letter to be able to pay for the revision guides please speak to Miss Roebuck in the school office.

Without payment and order form we will not be able to process your order.

Yours sincerely

The Y6 Team
