Y4 Multiplication Times Table Check - Parent Workshop

Dear Parent/Carer,

As you may be aware, it is coming towards the time of year where your child will complete the statutory Year 4 multiplication check. This will take place between Monday 3rd June and Friday 14th June.

To prepare you and your child for this, we would like to invite you into school on **Tuesday 7th May at 3:30pm** to attend a parent workshop where you will have the opportunity to understand why, how and when the multiplication check will be completed. It will include ways you can support your child at home and ensure they are prepared for this check. This short session will be held with your child's class teachers in one of the Y4 classrooms. You will have the opportunity to ask any questions, or discuss any concerns you have with your child's class teacher.

If you do wish to attend this session, we would be extremely grateful if you could complete the form attached so we can prepare enough seating for the amount of people attending.

If you are struggling to arrange childcare, your children can accompany you to the workshop but please be aware space is limited and they will be your responsibility.

Yours Sincerely,

Mr Exley
